Appreciation towards JUUST for providing the following description:

奥地利两位90后设计师Julia Cancola和Stefan Prattes设计了这款拆开更精彩，运输很方便，外表高端大气上档次的旅居家具。

在全球化的今天，在各个城市间的穿梭探索还想要拥有属于自己的品质家居几乎是不可能，除非你钱包鼓鼓。JUUST的设计师Julia Cancola和Stefan Prattes设计了一款名叫Travelbox的家具箱，将床、桌子、椅子以及必备杂物紧凑设计，放进了一个箱子中。该箱子在关闭状态十分牢固坚硬，能够承受国际长途运输的磕磕碰碰。到达目的地后，只需展开箱子，你的新居瞬间就能变成一个舒适的家。这样对于需要来回穿梭于几个城市的人来讲，就再也不需要不断的购买家具了，同时也能避免浪费资源，威胁环境。

这款质量上乘的Travelbox坚固耐用，是旅行家的好伴侣。橡木制，1.5毫米铝外壳，外观简约大气。体积1立方米，重量60公斤。

To most, it seems implausible to explore new cities around the world and live comfortably with quality furniture on a tight budget. The Travelbox takes these two competing desires and suggests that they don't need to be mutually exclusive. By consolidating our most essential furniture needs – bed, table, chair, and storage – into one compact arrangement, the Travelbox offers its users the potential to accompany them in all of the diverse places where life may lead!
